International Women's Day

Happy International Women's Day!

EmBark would like to take the time to acknowledge and celebrate women of all identities and backgrounds around the world.

A message from the official International Women's Day Website—
“Imagine a gender equal world. A world free of bias, stereotypes and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated. Together we can forge women's equality. Collectively we can all #BreakTheBias”
